PRINCIPAL'S NEWS

30th November 2018

Celebration Night is an excellent way to finish our year. In so many ways it reflects the community we see every day at our school. The commitment of teachers, the beautiful community, happy excited children who love school, wonderful support from our Parents' and Friends' and great parent support. We have all enjoyed another fantastic year together.

Sadly we farewell our Year Six Leaders and with them, families who have been very much a part of our school community over many years. It is with deep gratitude that we say 'thank-you' and we wish you all the very best for the future. We look forward to acknowledging our students on Tuesday Night at 5:30 with their Graduation Liturgy.

On Friday at 9:30 we have a Whole of School Liturgy in the Covered Area. At 11:00 we have the Year 6 Farewell. At 11:50 students leave the Covered Area with their teacher. They are dismissed from their classroom by their teacher at 12:00. Students may leave with their parents – collected outside of classrooms. Children who use the pick-up-zone will be allowed to go to their pick-up area. From 12:00, teachers will be on Gate Duties and our Pick-Up –Zone will begin operation. **Any student walking or riding home, must have a note from their parents.** There will be a crossing supervisor on Mulgrave Street, but not on Walker Street. There will be staff available to supervise any children who cannot be collected at 12:00.

Thank you again for another wonderful year. Stay safe on the holidays and we look forward to seeing you again in 2019.

CHANGES FOR 2019

As a part of our annual review and school improvement processes, we've had a look at how well we are using our learning time. Two areas were clearly identified in Swimming and Class Assemblies.

At the moment, the amount of time we devote to swimming, is disproportionate to the benefit. With the time it takes to prepare 75 children at a time for swimming, travel to the venue by bus, move the children into their groups, return to school and change, we are spending between two and three hours of core learning time for well less than an hour in the pool. If we want children to be safe and proficient at swimming, five lessons in large groups will do very little to progress them. They really need to go every week, and many families from our school already do this. We believe we must do better with our time, and so swimming lessons in their current format won't continue in 2019. We will however look to include some aquatic activities, including a modified swimming carnival for Years 3-6 as the year progresses.

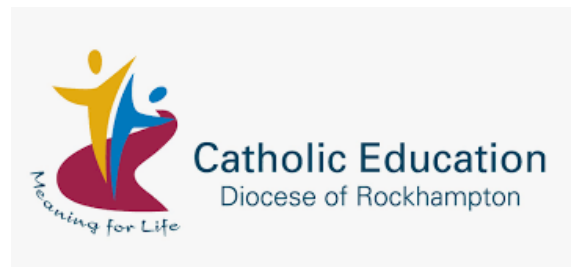

Next year, we will continue with Courtyard Prayer, class liturgies, whole-school liturgies and major assemblies, ensuring our children get plenty of opportunities to develop confidence in their public speaking. We will however not continue with class assemblies. Once again, the time it takes from core learning for a class to prepare an Assembly, coupled with taking 500 children away from their learning to be an audience, doesn't measure up when we consider the time and effort involved in relation to the benefit to students.

We are always looking at ways of improving our school, and decisions like these are never made without consultation and careful consideration. Making sure we spend learning time well will always remain a focus for our school, and we are looking forward to improvements in this area next year.

CHRISTMAS TREATS

Christmas Treats

At this time of year students like to exchange Christmas cards and treats such as candy canes to other students. We ask that children do not give gifts of candy canes to the other children. It is wonderful that children wish to give things to others, however we ask people to give non food gifts. Unfortunately candy canes can cause issues with a number of children on particular diets, children with allergies to some of the additives, not to mention the high sugar content. Cards, stickers and other small items can give the message that they are thinking of others.
