PRINCIPAL'S NEWS

11 June 2021

A bit hard to escape sport of one form or the other at this time of the year. I won't mention State of Origin for reasons that are painfully obvious to us all, but this morning I saw our netball team training before school when the temperature was only 6 degrees. On Wednesday afternoon our Rugby League team played Gayndah district schools and last night our Year 6 team played in the interschool sport Rugby league grand final.

Today we started timing heats as we prepare for the Field Days, Junior Athletics and Senior Athletics carnivals scheduled for the final weeks of term. Not having Miss G with us during the lead up to Sports days has been a challenge. Not only is she a wonderful athletics coach, but she is also a great role model and mentor for our students. The discipline and focus she displays in all she does is a great example to our students as is the resilience she shows on a daily basis. Most of us know that right now, Miss G is recovering from injury. She is approaching this recovery with the same determination and focus she displays in every other aspect of her life. I'm guessing she owes at least some of this attitude to things she has learned through sport.

What you can learn about life, is probably my favourite aspect of Sport. Sport teaches you that you are going to make mistakes – but you have to keep going anyway. Sport teaches you that you're not always going to win – but you do your absolute best anyway. Sport will see you get knocked to the ground on occasion – you just have to get back up and go forward.

We are very grateful to Mrs. H for taking on all of the additional work in Miss G's absence, and to all the staff who help give our students opportunities to build resilience through sport.

I hope to see as many parents as possible at Shalom next Tuesday June 15th at 7:00pm at our combined Catholic Schools present Dr Justin Coulson. Good mental health and managing anxiety are so important to children.
