It is the responsibility of all parents to pay school fees when attending Catholic schools. Your contribution through school fees is essential to the continued operation of your Catholic school. Any shortfall in assessed fees for the year has to be met from the general school account which could mean less in our budget to meet our commitments. If you are having difficulty in paying school fees, please contact the Principal to discuss alternative arrangements.

PARTICIPATION LEVY - \$60.00 per family per year

Parent involvement is vital to the running of our school. However, due to different family circumstances some people's way of helping is to choose to pay a \$15.00 per family levy charged each term as an alternative to school involvement. This levy is refunded **in full** simply by helping out twice in the school each term, through Classroom Assistance, Working Bees, attending P & F Meetings etc...

DIOCESAN PRIMARY SCHOOLS - BUILDING LEVY \$350.00 per family per year

Each family will be charged a building levy of \$87.50 per term in conjunction with normal school fee billings. As this forms a collectable part of school fees, no tax deduction is possible.

TECHNOLOGY LEVY - \$100.00 single student family or \$200.00 per 2 or more children family per year

This levy is used to maintain and improve the standard of technology resources in our school. Each student will be charged \$25.00 per term or maximum of \$50.00 per family per term.

P & F RESOURCE LEVY- \$200.00 per family per year

This levy is used primarily to maintain and improve the standard of resourcing in our school. Each family will be charged \$50.00 per term. *Our P&F Association believes that the most fair and equitable way to raise funds required to resource the school is by means of a levy system in place of major fundraising.*
