Moved as true and correct

1st C. Anderson                      2nd M.Marschke

**PRINCIPALS REPORT:** M. Fox

### **GENERAL BUSINESS:**

**Celebration Night:** We will hold a celebration night meeting on the 23<sup>rd</sup> November. This meeting will finalise raffle prizes. We will need to put a call out for volunteers to help with the Prep, Cooking and Serving of the BBQ. Gifts for teachers that will be leaving need to be finalised.

**Jumpers:** Mr Fox presented the idea that the Jumpers are now embroidered with the child's name the same as with the hats. Currently there are way too many lost jumpers and this would stop the problem as it allows for items to be found or returned very quickly. The safety issue was raised, but discussed that the Jumpers don't have to be worn outside of school if that is of concern to you.

**Shelter:** The subject of shelter was mentioned for rainy days. At this stage we will just continue to manage with the rain the way things are.

**Prep Orientation Day:** Cathie suggested that a representative from the P & F be present for the orientation day and kindly offered to do this.

**The Resilience Project:** Mr. Fox presented The Resilience Project to us which will be presented at Shalom on the 7<sup>th</sup> February 2016. This will be presented to our children in 2017. This is an extremely important event and not to be missed. You can visit the website.

**NEXT MEETING:** 1/02/17

**MEETING CLOSED:** 2:55pm
