Principal's News

On July 3rd we celebrated National Torres Strait and Islander Sunday. The Parish Bulletin shared a 1998 reflection from Pope John Paul II on his visit to Australia. In speaking to the Aboriginal community about Reconciliation he said, "Past hurts cannot be healed by violence, nor are present injustices removed by resentment. Your Christian faith calls you to become the best kind of Aboriginal people you can be. This is possible only if reconciliation and forgiveness are part of your lives. Only then will

The people gathered must have found these words challenging and so do I. So often as people when we feel hurt, we want to hurt back. When we feel someone has put us down or disrespected us in some way,

you find happiness. Only then

will you make your best contri-

bution to all your brothers and

sisters in this great nation."

we want to retaliate and cause them harm in return. We see it in everything from domestic abuse to conflicts among religions and races, and yet what good ever really comes of it. Past hurts are never healed by violence. Resentment itself has never removed injustice. Maya Angelou said, "Hate has caused a lot of problems in the world, but has not solved one yet."

I am pleased that as a school, we try and teach these lessons. We practice and facilitate forgiveness and reconciliation in our playgrounds, in our classrooms, in our sporting endeavors and within our community. As our students become future leaders, these values will ensure they live happy and fulfilling lives, and that they will contribute to making our communities and our nation better and stronger.

2016 Annual Interhouse Athletics Carnival

Our school community should be very proud of our students for their participation, enthusiasm and sportsmanship that was displayed across all age groups at our Junior and Senior Athletics Carnivals.

The success of these days depends on the support of many people and once again I feel privileged to work in such a supportive school community. Thank you to the staff, parents and House Leaders

who assisted in many roles at the Carnivals and Field Events Day, ensuring that all students had a highly enjoyable experience. Most importantly, thank you to the parents and grandparents of our students whose support and encouragement contributed to a wonderful atmosphere at both events.

The Catechists from the Atrium of the Good Shepherd would like to invite any children who are three years old and not yet six to come and see the works done in our Atrium. We offer a Montessori environment for young children to deepen their relationship with Jesus. The currently enrolled children love coming for two hours to relax, meditate and work with material specially designed and developed internationally for the past 50 years. We believe that this unique space in our parish helps parents to fulfil the promise made before God at their child's Baptism.

Our current session is on Saturday morning 9-11am. At this stage we are asking interested parents to nominate a time during the week that may be more suitable for their children to attend. Enrolment numbers are limited so please contact the Catholic Parish on 4151 6666 for times to visit us and to secure a place for your child.

Asbestos Concern Church Carpark

This week fragments of vinyl tiles were discovered in the church car park. The fragments were a result of work completed in the church during the holidays. A parent of the school raised a concern that the tiles appeared to be asbestos containing material (A.C.M).

As is our procedure, the area was immediately isolated, while investigations commenced to ascertain whether A.C.M. was involved.

Subsequent investigations revealed that the product had previously been tested before the church refurbishment, and was classified as non-asbestos containing material. As soon as this was confirmed, this access to the school was reopened.

The actions of the parent involved in reporting a safety concern was appreciated by the school. As always, the safety of all in the school community is our number one priority.
