2022 Booklist

So students and teachers can have a confident start to the year, with the correct and quality stationery, the school offers to parents the pick and pack services of Aastat. As well Aastat contributes to school fundraising by returning a percentage of the sales on lists in by the date -17h Dec 2021

If you choose to buy the above items, specified by the teacher, please ensure they are of equal quality and no novelty items. Some national retailer books are only 55gsm paper, not ideal for learning to write, and they may not stock the line rulings required. Pencils that easily break, glue sticks that don't stick all waste learning time

Picking And Packing Service

To have Aastat pick & pack your list please :-
