

PRINCIPAL'S NEWS

6th February 2026

Week Two began with our Opening Year 3–6 School Mass, celebrated alongside parents and parishioners on the Feast of the Presentation of Our Lord. Known as Candlemas, Fr Don beautifully broke open the significance of this feast day, highlighting how the blessing of candles reminds us that we are called to follow in Jesus' foot-steps - to be a "Light to the Nations," and at the very least, a light for one another.

Year 5P continued this message throughout the week, leading us in Courtyard Prayer and reminding us that we are charged to work together as one body in Christ.

We are deeply grateful for the light, joy, energy, and community spirit our students bring each morning. To help us keep everyone safe and appropriately supervised, we kindly remind families that school supervision does not officially begin until **8:15am**.

Students should only arrive before **8:00am** if they are engaged in:

- Before School Care
- Instrumental Music Tuition
- Sports Training
- Choir, Musical or Ensemble rehearsals (as directed by their coaches, teachers or tutors)

With the introduction of Before School Care, families may notice that safety gates are unlocked but closed. Parents dropping children off for early activities may need to unlatch the safety gate to ensure their child's safe entry to the school.

Before School Care has started well and includes a healthy breakfast. It is a much safer option for families needing to begin work early. Early arrivals outside of supervised programs create challenges for staff and can leave students unsupervised, so we thank you for your support in ensuring children arrive at school at appropriate times.

Likewise, we ask that students arrive punctually for the start of the school day. As a school community, we have worked hard to establish predictable, school-wide routines that support students to be settled and ready to learn. Late entry can disrupt learning and may limit a student's opportunity to begin the day positively primed. We understand that life can be messy at times; however, consistency plays an important role in setting students up for success.

Research is beginning to suggest that digitally free mornings can assist with a smoother transition into the school day. I shared this with families at our Prep Induction, and we have certainly felt a calm and settled start to the year. Thank you, particularly to our newest families, for your support in this space.

Next week, new desks will be arriving for many of our classrooms. While this may cause some short-term disruption, we are confident the new furniture will be well received. Need a second-hand desk at home? There may be some available later next week—watch this space!

PRINCIPAL'S NEWS CONTINUED

Today we welcomed Mr Dean Wearmouth, Principal of Shalom College, who visited to distribute Shalom application packages and share important information with our Year 6 students. This was Dean's first visit to St Patrick's, and he was impressed by the way our students presented themselves throughout the morning.

We also welcomed back past students Joon McM (College Captain) & Thomas E (College Vice Captain), along with Violet (College Vice Captain), who generously answered questions from our enthusiastic Year 6 cohort.

Please take careful note of the information included in the application packs. Each year, we unfortunately have a student miss the cut-off date or misplace important paperwork, resulting in placement on a waiting list due to the high demand for enrolments. Below are key details for families with a Year 6 student:

Year 7 2027 - Shalom college Important Dates:

- Information Evening: Wednesday, 11 February 2026 (7:00pm - 9:00pm)
- Open Day: Tuesday, 24 February 2026 (9:15am - 1:00pm)
- Applications open now and close: **Friday, 13 March 2026**

To apply, register for events or for more information, please visit <https://www.shalomcollege.com/enrolment/enrolment-information/>

All applications received by the closing date are guaranteed an interview.

Please note: All siblings must apply before the application close date, otherwise they will automatically be placed on the waiting list.

Thank you for another wonderful week of learning, loving, living, and celebrating together.

Sacramental Program 2026

At St Patrick's, we are blessed to journey with our students, their families and the Parish community as they prepare to celebrate the Sacraments. The Sacraments are a special way for children to grow in their faith and relationship with God, becoming more deeply connected to our Catholic community and the Body of Christ.

This year, students who are at least 8 years of age can prepare for the following Sacraments:

- First Reconciliation: A chance for students to experience God's forgiveness and mercy.
- First Holy Communion: Receiving Eucharist for the first time, a central moment in our Catholic faith.
- Confirmation: Strengthening their faith and receiving the gifts of the Holy Spirit to live as true disciples of Christ.

We encourage our families to support their children during this special time of preparation by attending Mass, praying together as a family, and engaging in discussions about faith at home. Parents are also invited to attend the upcoming Sacramental Information Sessions at the Parish Office on either Wednesday, February 11 (5:30pm) or Saturday, February 14 (10:30pm), where there will be an outline of the preparation program and answers to any questions you may have. For more information, please contact Pauline Leahy at the Parish Office (41516666).

Let us keep all our students in our prayers as they take these important steps in their faith journey.

BUNDABERG DISTRICT U12 SCHOOL SPORTS TRIALS—2025

Trial information will be advised in the school's newsletter each week detailing trial information for upcoming individual and team events.

Gaining selection in a Bundaberg District Team is the first step on the pathway to representing Wide Bay and Queensland. To represent Bundaberg District, students must be born 2014, 2015 & 2016 (only exceptional 10 year old students will be given permission to trial in team sports). The majority of team sport trials occur in February and March.

Please be aware of the following points:

- Team sports are selected in an U12 category and it is very unlikely that a 10 year old student would be selected, with the exception of Rugby League. Rugby League selects students in U10, U11 and U12 categories due to the contact nature of the sport.
- Bundaberg District trials are not 'have a go' trials. St Patrick's has a responsibility for sending students who we feel display high ability in the chosen sport and a high level of behaviour.
- Students wishing to trial must have a consent form issued by the school with authorisation from Mr Plumb, Ms Gollshewsky or Mr Egan. Students will not be able to participate in the trials without a ***Bundaberg District Primary Schools nomination form***.
- Cross Country and Athletics nominations will be made by the school after our school carnivals. Swimming & Aquathlon are the exceptions – Wide Bay School Sport are responsible for the selection of these teams.

BDSS Sport		Age Group	Date	Venue	Time
Students will only be allowed to participate when completing and handing in the forms to the coach/manager at the trials.

Selection in the Wide Bay Regional Team is gained by submitting times swum in the 50 metre pool in a QSA sanctioned meet. When times are submitted, they must be verified by printouts from Meet Manager and then stamped and signed by the club's secretary or record keeper. If this procedure is not followed, times will not be accepted.
