PRINCIPAL'S NEWS

14th February 2020

'How can we unashamedly promote the Catholic identity of our schools in a world that increasingly says we're nuts to believe anything other than that which we can see and hear and test; that all religious groups are deluded; and the Catholic Church is pretty well morally bankrupt?' I was fortunate enough to hear Fr Richard Leonard speak this week – and when he led with this question – he certainly got my attention. It is a great question, and when we speak of ourselves as a Catholic School, we need to offer something very special, even to the people who describe themselves as, 'not really religious'. Thankfully I think we do.

Pope Francis includes the following as things very important to our Catholic Identity.

1. An informed conscience.
2. Love
3. Compassion
4. Care of the earth
5. Humility
6. Gratitude
7. Forgiveness
8. Joy

If we could combine these things – I'd call them character. Building character is the most important thing we do – and I think we do it really well because it is just so important.

"Character is what you do when no one is looking." Where I see many schools focus on rules and consequences, ours has a focus on character. It's about doing better and being your best self. It makes sense to me. People of good character don't need rules or consequences. Rather they make choices in accord with whether a thing is right or wrong. Whether it helps others or hurts them and so on.

As adults we know that whether you're looking for a partner, a friend, a coach or an employee, the most important thing we seek is character. The values shared in a Catholic School are something people from all faith perspectives can willingly aspire to.

On Tuesday, staff from all Catholic Schools in Bundaberg gather for Bishop's Inservice Day so that we can learn how to keep our schools authentically Catholic in the best possible ways. It is something very important to us all, and we do appreciate your understanding and support so that our staff get this important opportunity.

ADMINISTRATION NEWS

PICK UP AND DROP OFF PROCEDURES

BEFORE SCHOOL

The school provides supervision from 8:15 each day. Students who arrive before this time are to gather on the terraced area behind Administration and to sit quietly. Play is not permitted before 8:15. Students are only allowed at school before 8:15 on the understanding that they comply with these expectations. There is no teacher supervision until 8:15am. Teachers on Before School duty collect students from this area at 8:15am. Students in Years 4-6 place their bags in the port racks, put their iPads in their classrooms and then move to the Covered Area. Students in P-3 place their bags into port racks, put their iPads in classrooms and then move to the Junior Playground. Hand ball is allowed. No other ball games are permitted and sporting equipment is not to be used at this time. Outside of the classroom is an Out of Bounds area before school. Parents and students are asked to move to the Junior Playground or Covered Area where supervision is provided.

AFTER SCHOOL

Students are dismissed at 3:00 and they are to move directly to one of the three supervised collection points: Mulgrave St (beside K Block), Powers St or George St. There is a teacher on supervision duty at these three gates until 3:20pm. Any child not collected by 3:20pm will be directed to the Administration Block.

Parents may collect students from the classroom. Parents are not to congregate directly outside their child's classroom before 3:00pm so that students and teachers are not distracted. Students are under the supervision of the parent once they leave the supervised area or classroom with their parents. Children who are not students of our school and who are brought onto the school grounds are the responsibility of the supervising parent. These children must be supervised by that parent while on site.

No play on any school equipment is permitted after school. The playground structures become part of the licensed area for the Out of Hours School Care program (OHSC). We are not permitted to have children who are not enrolled in our OHSC program on this equipment. Your co-operation with this issue is much appreciated.

DROP OFF AND PICK UP ZONE—MULGRAVE STREET

In order for the Drop Off and Pick Up Zone to continue to work effectively and safely, we need your full support.

1. Do not use your mobile phone in the Pick Up and Drop Off zone.
2. **Parking in the Mulgrave Street carpark is for staff only.** Parents are not to park in this area before 9am and between 3:00—3:20pm, as it will severely disrupt the Pick Up and Drop Off process. The one exception to this is our families who use our designated Disabled Parks in the staff carpark.
3. The Pick Up Zone can only be accessed by cars travelling north on Mulgrave Street, turning left into the Pick Up Zone. Cars are not permitted to cross traffic on Mulgrave Street to enter the Pick Up Zone from 3.05pm until 3.30pm. When exiting the Pick Up Zone, please consider turning left on to Mulgrave Street to assist with traffic congestion.
4. If your child is not present when you pull into the Pick Up zone, you will be asked to do a circuit proceeding north on Mulgrave, then west on George, up Powers Street, along Walker Street, back into Mulgrave. This ensures traffic continues to flow. **It is clearly helpful for you to emphasize to your child the importance of coming straight from class to the Pick Up area. The classrooms for children in Years 3 and 4 are quite a distance from the Pick Up area. If collecting children from these year levels, please wait until 3:05 to enter the Pick Up area.**

DROP OFF AND PICK UP ZONE—POWERS STREET

If you enjoy waiting outside classrooms for your children, please continue to do so, and park in the long term section of the carpark. Do not park long term (leave your vehicle unattended) in the Pick Up zone.

EXPECTATIONS REGARDING BEHAVIOUR IN TOILETS

Students are regularly reminded regarding the school's behaviour expectations when they are using the toilets.

The focus of these reminders were:-

- Educating students about germs in toilets.
- Hygiene practices (washing hands, not taking food into toileting area etc.).
- Students should use the toilet responsibly (e.g. not waste time and keep noise to a minimum).
- Discourage play in toilets (e.g. should not be a location for tiggy or hiding games).
- Not a place for playing 'tricks' on others or contact with other people (minimal time in toilet).
- Strict rule – one person in a cubicle at a time.

In the aim of enhancing student hygiene and safety, it would be appreciated if parents reinforce these behaviours at home with regard to not only the school toilets, but all public toilet areas.

Visiting adults and toddlers **ARE NOT TO USE** student toilets within St Patrick's during school hours or while attending school functions after school hours (e.g. Welcome Dance Night). If you require toilet facilities while on campus during school hours, then please seek direction from Administration staff to use the staff toilets in A Block. If attending a school function after school hours, then the Church Hall toilet facilities will be made available for adult and toddler use. Your cooperation and attention to this matter is greatly appreciated to ensure and enhance the safety of our students.

SPORTS NEWS

BUNDABERG DISTRICT U12 SCHOOL SPORTS TRIALS—2020

Trial information will be advised in the school's newsletter each week detailing trial information for upcoming individual and team events. Students will also be informed on Parade. Gaining selection in a Bundaberg District Team is the first step on the pathway to representing Wide Bay and Queensland. To represent Bundaberg District, students must be born 2008, 2009 & 2010 (only exceptional 10 year old students will be given permission to trial in team sports). The majority of team sport trials occur in February and March.

Please be aware of the following points:

- No student born 2007 is eligible to trial.
- Team sports are selected in an U12 category and it is very unlikely that a 10 year old student would be selected, with the exception of Rugby League. Rugby League selects in U10, U11 and U12 categories due to the contact nature of the sport.
- Bundaberg District trials are not 'have a go' trials. St Patrick's has a responsibility for sending students who we feel display high ability in the chosen sport and a high level of behaviour.
- Students wishing to trial must have a consent form issued by the school with authorisation from Mr Plumb, Ms Gollshewsky or Annette Hammermeister. Students will not be able participate in the trials without a ***Bundaberg District Primary Schools nomination form***.
- Cross Country and Athletics nominations will be made by the school after our school carnivals. Swimming & Aquathlon are the exceptions – Wide Bay School Sport are responsible for the selection of these teams.

BUNDABERG DISTRICT SPORT TRIALS

TENNIS Boys & Girls Trials: 12 March; 8:45am – 3:00pm; Rotary Tennis Courts, George Street (entry off Tantitha Street). Please note these trials are held within school time and no staff member from St Patrick's will be in attendance.

The manager of the Bundaberg District team will provide supervision on the day if you are unable to be present at the trials.

TOUCH Boys & Girls Trials: 6 & 13 March; Bundaberg Touch Fields; 3:45 – 5:30pm.

WIDE BAY SCHOOL SPORT

SWIMMING:

Nominations close 3:00pm 20th February. Nominations to Maryann Barren, St Luke's Anglican School Administration Office. Wide Bay Regional Team selection is gained by submitting times swum in the 50m pool in a QSA sanctioned meet. When times are submitted, they must be verified by printouts from Meet Manager and then stamped and signed by the club's secretary. Times need to have been swum in the current 2019/2020 season. If this procedure is not followed, times will not be accepted. Swimmers must be born in 2010, 2009 and 2008. 2020 Queensland 10 - 12 Years Schools Swimming Championships, which will be held at Chandler Aquatic Centre, Brisbane over 3 days - Monday 23, Tuesday 24 and Wednesday 25 March 2020.

Our 2020 Race Day event will be our 15th. For those who are new to our Schools and aren't aware of our annual event, a committee of past and present Parents and Teacher representatives from our three Catholic Primary Schools and Shalom College combine to organise a relaxed and classy get together at Thabeban Park Racecourse.

The day is full of activity with the running of five local Races, Fashion Parade, Fashions of the Field competition, a huge Raffle with a bundle of excellent prizes, all under the comfort of our Private Marquee area with two bars catering for our 500 guests. Food supplied throughout the day is catered for by students, staff and volunteers from Shalom and the Bars and Gate are manned by volunteers from all four Catholic Schools. It is a wonderful opportunity to catch up with friends from the past and present of our Catholic School community and all money raised on the day is donated directly to the four schools for special projects of their choice. We have many very generous sponsors, some who have been supporting our event for its entire 14 years, and without them, along with our many volunteers, the day would not be the success it is.

At our upcoming event, the past students from Shalom, the 2010 and 2000 Year 12 cohorts are celebrating their 10 and 20 Year Reunions. Past students from the 1990 cohort are celebrating their 30 Year Reunion a week later here in Bundaberg, but also are welcome to double up on their celebration and join us at Thabeban Park.

I can be contacted on my Mobile 0419787279, or alternatively Mrs Teresa Cameron at Shalom College on 41558137 if there are any enquiries in relation to our Race Day regarding sponsorships, volunteering or ticket sales. Any past students looking for information in relation to their 10, 20 or 30 year reunions can contact the following representatives through the Facebook pages set up for their event or phone:
