PRINCIPAL'S NEWS 10th August 2018

Whenever our younger students lead prayer, we tend to listen more carefully. This week it was 2C and I loved the way Mrs Clarey and her class shared a message around the importance of working together and helping each other.

The ability to collaborate has a real focus in St Patrick's. It is evidenced in the way students work together in classrooms and it carries through to every aspect of our school. Our successes in the Bundaberg Eisteddfod with Choirs and String Ensembles is largely dependent upon the students' ability to work together. Similarly, the success of our Girls Athletics team in the Bundaberg Sports was reliant upon their ability to work with and for each other.

Our continued success as a school will demand collaboration from us all, and in business, collaboration has become so important, that you simply wouldn't hire anyone who didn't have highly developed skills. Individual talent will only get people so far, after that it is the ability to work with others towards a common goal, that will ensure success. Our schools, our businesses and our community all need people who can work together and I love seeing this developed in our students.

#### Best wishes to Amanda and Andrew Modolo

Today is Amanda's last day with us before she begins Maternity leave. We wish her and Andrew all the best as they prepare for the birth of their first child. Jessica Cullinan joins us with 2M next week.

#### **Parent Surveys**

We have about 20% of our parent surveys in now. The survey is open for another week, so please take the time to complete a survey and let us know how we are going, and where we need to go next as a school community.
