MISSION STATEMENT

St Patrick's Catholic Primary School

Our Mission Statement

Learn
Love God
Live the Gospel
Witness the Faith
Celebrate Life

We, the partnership of children, parents, teachers and the parish provide an atmosphere where children reach their full potential spiritually, intellectually, physically and emotionally.

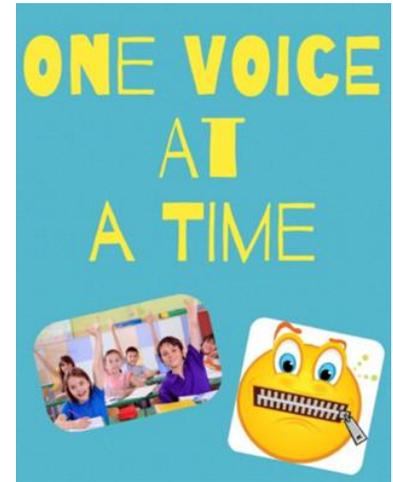

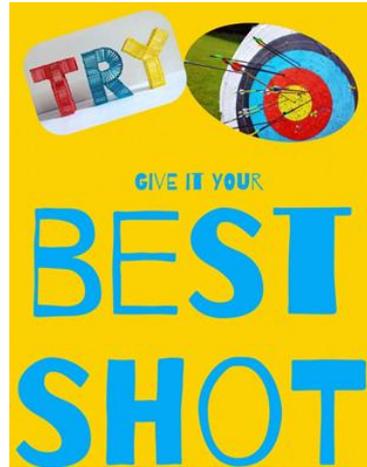

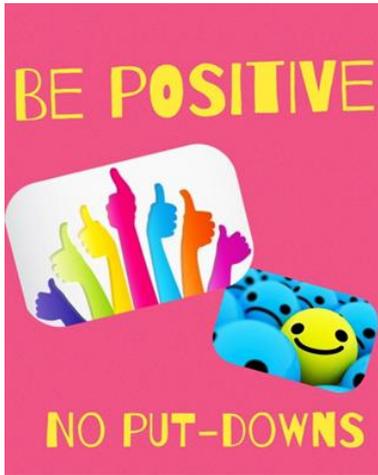

SCHOOL MOTTO

'SEEK HIGHER THINGS'

Whilst we strive for excellence and to be the best we can be, we...

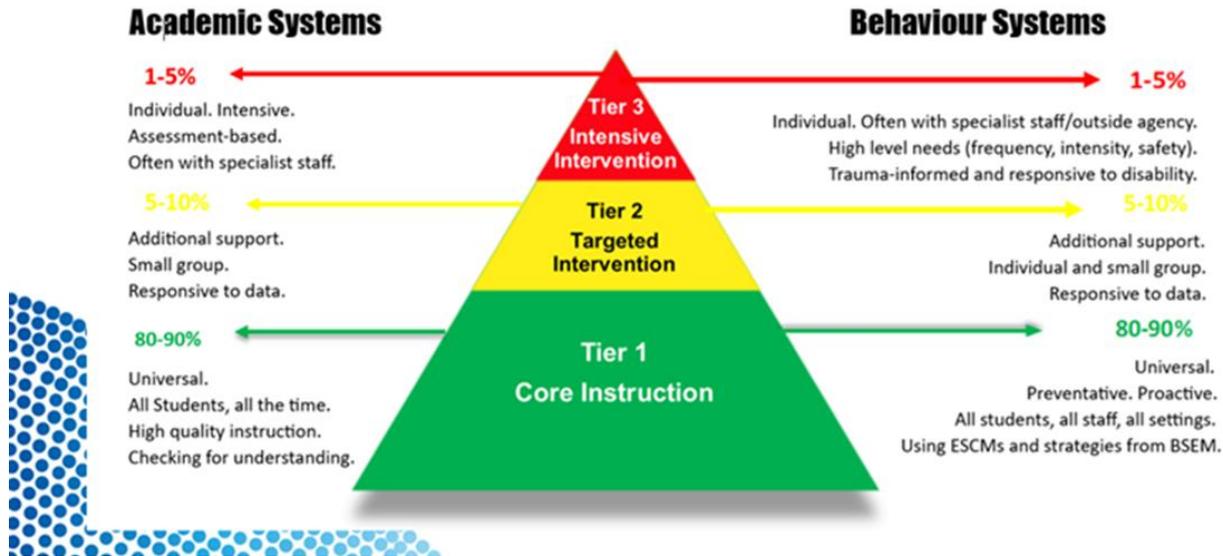

- Recognise and celebrate children's achievements – BIG and SMALL!
- Rejoice in children's successes and support them in their challenges.
- Value the effort, not the outcome. Often the process is more important and more valuable than the product.
- Compare your child only to themselves – not peers or siblings.

SCHOOL RULES

BEHAVIOUR MANAGEMENT

Our school follows a Multi-Tiered System of Support to help students learn positive behaviour and stay focused on learning. Embedded in this are strength-based practices, including restorative practices and the implementation of the Zones of Regulation.

PERSONALISED LEARNING

The Year 5 Teachers meet on a regular basis to plan collaboratively using the Australian Curriculum. During our Maths and English blocks, we use learning intentions (what we are learning) and success criteria (how we will know if our learning has been successful) to ensure that all classes are exposed to the same content at the same time.

Lessons and learning will be differentiated to suit your child's needs.
